Henry:

Walters called and stated that he spent an hour with the Chinese Ambassador this morning and followed the instructions explicitly.

When he touched upon the oral elaboration about our bureaucratic problem, the Ambassador said "is this your view or Dr. Kissinger's view?" Walters replied "it is a reality which Dr. Kissinger asked me to draw to your attention." Walters stated that they were much impressed by the fact that he had been recalled to Washington and had invited him to lunch with them at the time of his next visit on October 2d.

Walters is scheduled to see the North Vietnamese at 11:00 am Paris time tomorrow morning (6:00 am Washington time). He will give us a readout following the meeting and is, of course, sending the detailed writeup of this morning's meeting.
